BIANEW Minutes – June 6th, 2013

1. Meeting started at 12:30 after the onsite inspections, we started by discussing each property for violations. Jack, Ray, Tom and Kevin discussed specific items that needed attention.
2. No treasurers report
3. DSPS report, another meeting will be needed to discuss what we would like to see them cover at the spring code update training. We talked about getting the ICC training but we still need one more community membership before we qualify for the proper status for our group to get the full days training free. We also talked about some electrical training ideas and gave comments and suggestions.
4. New business with all the discussions about possibly moving the regular meeting site it looks as if we will stay in Shawano. We had a vote on site and the Shawano location won by one vote. A motion was made to accept the In-person vote taken at the meeting and to stay in Shawano, which was 2nded and passed. A discussion was started on how the one location for the onsite was an occupied home (on fire lane 3) and someone made a motion to get a \$50 gift card as an appreciation gift for the trouble of having many inspectors tour their home. The motion was 2nded and passed.
5. There was a discussion started about campgrounds and the application and codes that apply to them.
6. There was a small discussion on seeing the interest on bringing back that 13 week commercial construction class for use as a refresher or to prepare for the test. There were several that would like to see it come back for a refresher, about 20 expressed interest.
