Committee Reports:

Information & Schooling- The next meeting will be on September 3rd. No one has heard from Dennis Jensen regarding the ICC class being held.

Old Business:

Bill Hebert stated that Phil Borchardt is working on the jacket orders/options. He currently has 4 different jacket options and Phil will have samples at the September meeting. They'll also send information out via the website and by email. Look for the application in the next few weeks. They're also trying to locate a digital image of our association logo.

New Business:

Chris Jensen asked if ICC testing would be an option at the WI Building Inspectors Institute next year. Nicole said she'd look into it.

There was a discussion on the lack of inspectors and how hard it is to get open positions filled. It was mentioned that our association should contact area technical colleges to see if they could start a program for inspectors. We also talked about the need to promote our profession better.

Adjournment- A motion was made to adjourn the meeting. The motion received a second and carried.

Respectfully Submitted,

Nicole Krahn
