- Rob presented the Treasurers report. Motion to approve as presented 2nded and passed.
- We had a discussion on the poor quality of the states presenters for spring training.
- A question came up about the league meeting again. It was mentioned again that the association will pay for registration to attend.
- The topic of the meeting location came up during the month of May an e-mail survey will go out asking all of our members what their choice in order would be to keep the same location in Shawano, move to Suamico, or move to Rock Gardens. The secretary will compile the info received from the e-mail survey and present that to the group at the June On-site meeting we will vote then as that is our most attended meeting.
- We had a discussion on the scholarships that the association gives out, that discussion was to continue or stop giving the scholarships. We thought it was a good idea to keep giving the scholarships as we are a non-profit org and this is what we were based on. we will keep doing the 4 at \$500.00
- We had a discussion on the commercial code training that Henry put on a couple of years ago. Most members would like to see that again, it was great training. It was an 18 week course one day a week. If interested please contact Craig Arnold with your intrest.
- Inspector round table
