BIANEW minutes – August 8th, 2014

Meeting was called to order in the morning around 10:30ish

Old business- we discussed the ICC training that we should now have available to the group.

We had a discussion on term awards (specifically for Emil Jensen's retirement) We also discussed plaques for retiring members as we have done it in the past but seems to have gotten lost, we would like to bring that back. The hospitality committee will handle the awards process.

We broke for lunch

New business

A question was asked if anyone had any feedback on the emergency wallbracing rule that went into effect. Many members spoke about how they were handling the new rules, no major issues just an adjustment. September 1<sup>st</sup> the permanent rule should be adopted and still may be perfected a bit more by then.
